

# **Welcome to Canada Expo 2023**

**(abbr: WTCE23)**

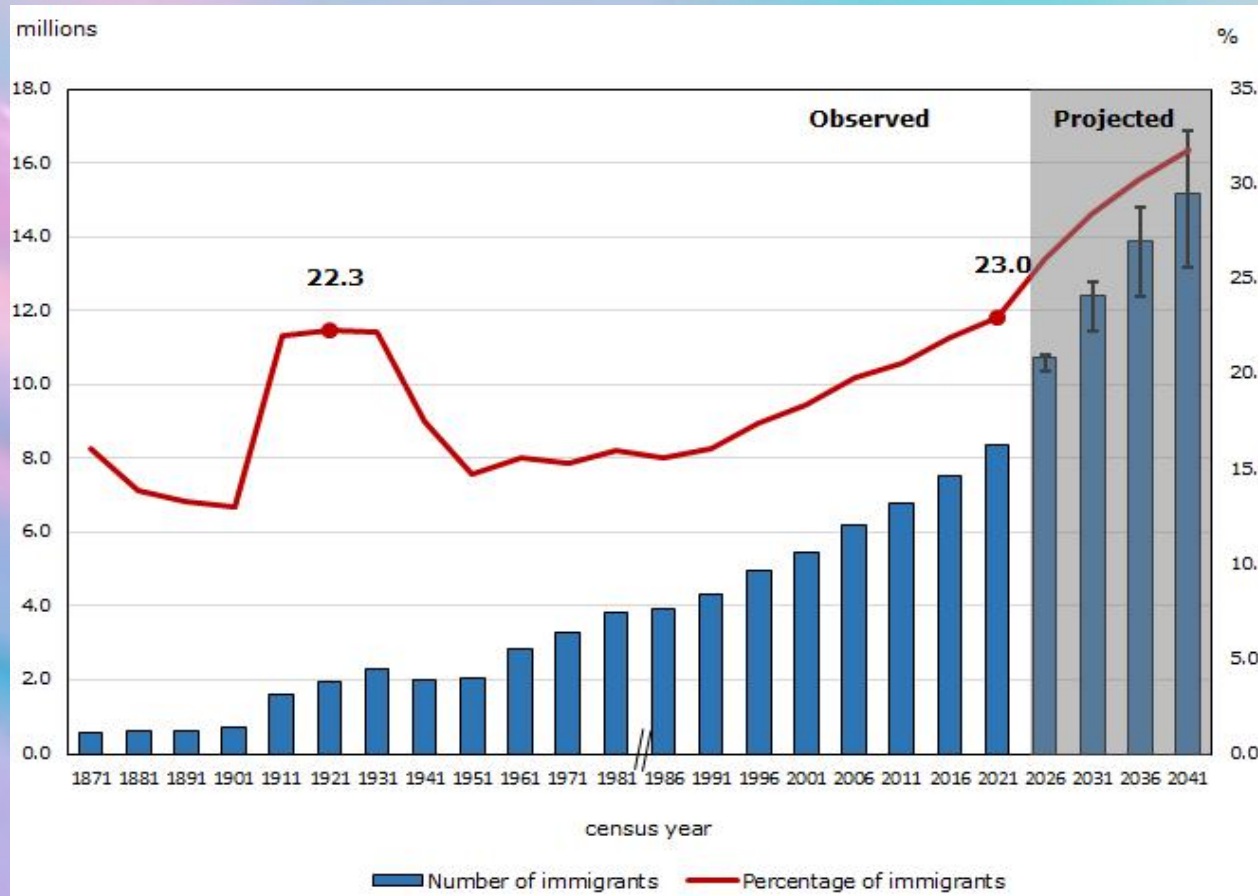

**A Exhibition For Canadian Newcomers**

Date: September 22 - 24, 2023

Venue: Hilton Toronto/Markham Suites Conference Centre

Co-located: The 6th Real Estate and Home Expo

# Nearly one in four people in Canada are immigrants, the highest proportion of the population in more than 150 years

## A data from the official website of Statistics Canada

This is a combination bar and line chart showing the overall counts and proportion of the population of Canada who are immigrants, for each census since 1871. The left vertical axis shows the count of immigrants per period, in millions, from 0.0 million to 18.0 million, by increments of 2.0 million. The right vertical axis shows the proportion of the population of Canada that immigrants represent, in percent, from 0.0% to 35.0%, by increments of 5.

**Canada's immigrant population is projected to reach 15,155,000 by 2041.**

# Prospective Canadian immigrants need your solutions. Make the connection at WTCE23!

The WTCE23 provides a free, face-to-face platform for individuals who are interested in immigrating to Canada. We understand that the process of immigrating can be challenging, and we are here to help you integrate into Canadian life as smoothly as possible.

437,000

Number of Canadian New Immigrants In 2022

608,420

Number of Canadian Work Visa Holders In 2022
